

CMSA Southern California QUARTERLY MEETING

February 16, 2023
Doubletree by Hilton Hotel
201 E MacArthur Blvd
Santa Ana, CA 92707

8 AM TO 9 AM

The Role of Speech Pathology in Aphasia Rehabilitation After a Stroke

Speaker: Genevieve Richardson, MS,
LIFE Speech Pathology + LIFE
Aphasia Academy

Objectives:

1. Describe how speech pathology can improve a patient's communication abilities in the rehabilitation process.
2. Summarize three of the benefits of speech pathology treatment via telepractice.
3. Explain two ways case managers can support patients with a speech, language, or cognitive impairment after a stroke.

9:15 AM TO 10:15 AM

Ethical Considerations in Coordination of Activities for TBI Survivors

Speaker: Kimberly Gully, MS, CCC,
CCM, CBIST

1. Recognize the clinical and ethical considerations when assisting individuals with brain injury or their primary caregiver(s) in identifying, locating, and making community-based referrals to integrate them into their community.
2. Review the guiding principles of the CCMC Code of Professional Conduct and its ethical implications when considering the TBI survivors' needs and desires when selecting resources and making community referrals.
3. Identify the components of referral identification and implementation related to caregiver goals when they are different from the TBI survivors.

10:30 AM TO 11:30 AM

Aging Workers: Psychological Considerations

Speaker: Stacy Reger, PhD

1. Describe current workforce demographic data relevant to aging and learn how demographic factors impact workers and employers.
2. Learn to identify general age-related health considerations and their impact on work function.
3. Identify and understand common mental health concerns of salience to older adults, and how these relate to industrial injury and recovery.
