attendees and
non-members**

Speaker:

Rebecca Perez, MSN, RN, CCM

CMSA Foundation Executive Director

Ethics Presentation:

Simplifying Complexity with Integrated Case Management

Learning Objectives

- 1. Describe the interactions of physical and behavioral illness complicated by social concerns.**
- 2. Evaluate the impact a primary case manager can have on patient outcomes when risk is prioritized.**
- 3. Demonstrate how an integrated approach will support the five basic ethical principles as outlined in the CMSA Standards of Practice and CCMC Code of Ethics.**
